About Us

Mallard Equipment has represented leading material handling manufacturers in the State of Michigan since 1985.

We are experienced in all industries including:

<i>Agriculture</i>	<i>Foundry</i>
<i>Aggregate</i>	<i>Metal</i>
<i>Chemical</i>	<i>Plastic</i>
<i>Coal/Energy</i>	<i>Sand</i>
<i>Food</i>	<i>Scrap</i>

We provide expert and conscientious advice in selecting the right equipment for your application. We support our equipment and customers through start-up and the life of the equipment.
